A farmer writes to an exchange: "Every year I hear of caterpillars destroying whole orchards, and there is nothing to dispose of more easily. I bore a hole in a tree deep enough to reach the sap, fill it with sulphur and then plug it up. The sap takes up the sulphur to every branch and twig and the caterpillar at once dies. I have never known of a tree being injured by it, and I have pursued the course for years."

Eighty-six of ex-Sheriff A. J. Mannen's neighbors and relatives gathered at his home in Colfax township last Monday, and gave him a great surprise party in honor of his 51st birthday. ## Goodbye O. M. B.

County Attorney Cline put his war paint on last week and went after the O. M. B. in this city after the style of a veteran. Mr. Cline armed Sheriff Prange with the necessary warrant for the arrest of the O. M. B. proprietors and Mr. P. proceeded to arrest Al Jones, John Jones and Leo Thompson who appeared to be proprietors or clerks or to have sold admission tickets for in some way aided in the scheme of running the concern; A. B. Hedrick of this city rented the building to the outfit that was running the place. Under the statutes a building in which whiskey is sold can be sold to pay the fine of the persons who do the selling, and it is to be hoped that Mr. Cline will keep right after these fellows until the fine and costs are fully paid. Mr. Prange took the boys to Erie where each gave bond for appearance at the next term of district court. The history of the O. M. B. in Chanutte is a short one and most of the people are glad the last chapter is about finished. The fixtures which were used here belonged to a Brewing company and were very fine, consisting of a 16 foot oak bar with walnut top, all highly polished, behind which was a beautiful 10 panel mirror. The ice-box is an excellent one and the outfit is said to be worth \$500 or \$600. The room was fixed up with electric lights, electric bells, doors with wickets to them, in fact it made a very fair room for a saloon and reminded one very much of Missouri.

## Old Settlers' Meeting.

Committee appointed to formulate an old settlers meeting, met at Benedict, July 28, 1897. It was thought advisable to hold said meeting on the same week of the Old Soldiers' Reunion in order that a county organization might be effected. The date was fixed for the 8th day of September, 1897. An invitation is to be extended to old settlers in Wilson county to be present; and unite themselves into a permanent organization. A. J. Mannen was elected marshal of the day and A. F. Kraser, chairman.
